Subject: RE: In re: Google Play Store Antitrust Litigation: Letter re Privilege Log

Caution: External Message
 Counsel,

We do not believe it is necessary to have a meet and confer today. Google is on track to produce the documents that were deprived in full or in part in *U.S., et al. v. Google LLC*, 1:20-cv-0310-APM (D.D.C. 2020) and produce amended logs by May 10, as noted below. Moreover, to the extent such productions impact the documents identified on Exhibit A of Plaintiffs' December 28 letter, it would be more efficient to assess next steps after May 10, when the parties will be able to assess what documents identified on that exhibit remain on Google's logs. We can set a time to meet and confer next week after May 10 to discuss.

Thanks,
 Michelle
